

SIMBITHI BOARD ANNOUNCEMENT: COVID-19
Protocol: Alert Level 1
Original Release: Tuesday, 29 September, 2020

Dear Residents,

As was noted by President Cyril Ramaphosa in his address earlier this month, it has been six months since the country entered a National State of Disaster. South Africa has been more than 650 000 positive cases of COVID-19 and our economy has been drastically affected. With the country now through the worst of the peak, Monday, 21 August 2020 officially marked the start of Alert Level 1, the lowest in the COVID-19 alert level system.

Alert Level 1 places even more responsibility on each of us to keep ourselves, and our families safe from COVID-19; more so, now, to prevent a resurgence in COVID-19 infections.

The Board and Management's response to COVID-19 remains guided by the latest Government Gazette **43725**, which you may read [here](#).

Alert Level 1 sees a few more relaxations to operations at the Estate and Club:

1. Use of Masks

This remains mandatory. When you are outside of your home, please ensure you have a mask – or covering over your nose and mouth – on. Without a mask, you will not be permitted entry into any Simbithi facilities. This is for your protection, and that of our staff and stakeholders. Note, a resolution to this effect was passed at our 2020 SEEHOA Annual General Meeting and is now part of our Estate rules.

2. National Curfew

Movement is not permitted between midnight and 4am, daily. Please adhere to this, for your safety.

3. Social Distancing

If you are within a common space, please maintain a minimum of 1,5m between yourself and others.

The following facilities remain open, under the following conditions:

1. Community Centres

The Heron, Kingfisher and Guinea Fowl are now open for exercise and recreational activity. This includes braai facilities, and swimming pools. The Fish Eagle is presently closed for renovations but will be accessible once this is complete.

2. Simbithi Gymnasium

Please ensure you carry your own towel and sanitiser, and that you wipe down equipment after use. The Gym may not exceed 50% of its capacity at any time. Our staff will be on hand to monitor this.

The sale of alcohol has also resumed. A reminder of the operating times of our eateries:

Fig Tree/Drop Zone Bar: 032-946 5403

Sit-down dining: 7am – 8pm

Delivery and Takeaway: 7am – 7pm

Heron Pizzeria: 032-946 5423/10

Sit-down dining: 12noon – 8pm

Delivery and Takeaway: 12noon – 7pm

If you would like to place an order for takeaway or delivery, view our menus [here](#). Health and safety remains the responsibility of each resident. We encourage you to sanitise regularly, and maintain social distancing when in common spaces.

Simbithi WhatsApp Line

If you require clarity or assistance, please WhatsApp during office hours on 073 156 1378.

Simbithi Medical Volunteer Group

The Estate has established a group of medically qualified volunteers, to assist those who contract COVID-19. If you have tested positive, and require assistance, please contact Dudley Wang on: 083 408 4390.

Please note: disclosing this information is purely voluntary and all information will be treated with the utmost privacy and confidentiality.
