

The Simbithi Eco-Estate Home Owners Association (SEEHOA) is committed to the enhancement of safety and security on the Estate. As security is of paramount importance, Short term tenants, resident's family members and visitors must at all times assist and comply with the security systems and procedures implemented on the Estate, particularly with regard to access control. Homeowners and accredited letting agents are responsible to manage the issuing of visitor's access codes for their guests. Homeowners that are not able to issue their guests with visitor access codes are to submit a motivational letter to the security access office (controlroom@simbithi.com) requesting for the security control room to issue their guests with a limited number of access codes. The security manager will facilitate the approval.

All must respect the security personnel's role. Security guards may under no circumstances be abused or obstructed from performing their functions.
